unitest for the office of dulye of the Court of are anthorized to say, without a particle e fraudation in fact. Judge B, has not with deawn from the contest, and will not withdraw. respecing this contest is semewhat miscon ceived. We hear the Journal is in certain quarters represented or conceived as the favorer of Mr. Bullitt against Judge Bramlette und every other Union candidate in the field. This is inco rect. The Journal holds a position

didates, an l. unless some unforescen developigorous'y maintain this position. In no lespise the impotent ravings of abolitionists lowever, as the contest has shaped i dead, and that ought to be buried, whether dead or alive.

We perceive in the Richmond Enquirer about aut evidence of complicity hetween the Northern and Southern Disunionists, as charged b. Siephen A. Douglas upon Senators Maon and Hunter and the extremists of the Block Republican party in the Senate. From the beginning these confederates in disuning have concurred in the use of every appliance by which the jublic mind could be influence ly harmonon, in repelling every measure of conciliation and compromise.

The Enquirer of the 26th ult. contains one of the most flagrant instances of this co-oper ation in enmity to American justitutions and testify in the cause. Unquestionably the letter | ded element of the future. No one can doubt | any revolution in opinion-every hope of a so-

Lincoln a raw head and bloody bones to scare we not in honor bind ourselves to their forpeal start from the same basis. Let us look

its traitorous elements. Mr. Lincoln car he present condition of affairs would only I ally destructive civil war, of which the only esult could be ruin and eternal exasperation No ither section of this Union can conquer the other. The whole Federal power cannot conquer a single State, much less seven or lifteen States. Every sensible man sees this.

The pending revolution, despite the atrociou reason of the precipita ors and he insane foll of the precipitated, has wonderfully illustrated the real strength of the Amer at Constitution and its glorious sufficiency for the n a n nance of human liberty and right. All it as the seceding States have done for self-vinification, all the military power they have cisplay d, all the resources I'm self-protection they have ex hibited, are cameities and powers which b longed to them as States of this Union. They could have exercised all these powers and fac

with the erine of folly-of treason at once against their country and against the just hopes and expectations of mankind. The construction of the Union is such that

any State in the exercise of its corporate powitself from oppression by the Federal Govern- this sad drama, how an almost preternatural competent to grasp and to crush every clement clamorous for the immediate preparation of the ment, or redress a wrong inflicted by another State. It is true that this mode of redress | impulses of the people, and with the simplest | that hand has not yet put forth its strength; it | to wait a little longer and watch the developmen involves the risk and the dangers of eivil truths which support all our institutions. Let is the voice and the hand of this great nation. of uffairs ander an administration that commences tion. But in this case it is a war, not between with the political falsebood, that the people of If we may dare to trust all the lessons of the a government and its subjects, but between two that State are not citizens of the United States, past, it will be true to itself—irne to every one Mr. Corwin's resolutions to amend the Constitu governments. And the certainty that neither except through the constitution and the gov- who is faithful to it. In that case we are tion, which had previously passed the Ilouse by can destroy the other, however grievous may ernment of that State; and let the national safe; though we may suffer much and long three more than a two-thirds vote, passed the be the mutual injuries they may inflict, is the administration start with the corresponding before the end is reached. Our civilization start with the corresponding before the end is reached. hest security for moderation, forbearance, and political falsehood, that the supreme law of the tion, in its present form, is the growth of which was declared almost unanimously by ile justice, on either side.

J. H. SCHROEDER & SON, WALL STREET,

WE offer this Soap to the public with the full assurance that, if the directions given are carried out, it will save time labor, and money. All we ask is a fair trial; then let it sland upon its own merits. Among other advantages of this over other Washing Soaps, the following may be mentioned:

1. This Soap is warranted not to injure the fabric.
2. But one-list if the time and labor will be required to do a washing by using this Soap in preference to any other.

MOLASSES—218 bills grime Molasses landing per steamer Chancellor and for sale by steamer Chancellor and for sale by AND'W BUCHANAN & CO. 3. The clothes need but Ittle rubbing, and, in most 3. The clothes need but little rubbing, and, in most cases, no boiling.

4. For washing hands it is greatly superior to any common Soap, as it does not chap, but has a tendency to soften the skin.

5. It cannot be suppassed for removing Ink, Tar, and 125 firkins packed do; 6.0 bushols Burley;
